PROFILE

Hello, my name is Magdi and I am looking for experience. I have a keen interest in graphic design, web design, photography, and video games and spend my free time working on my own projects. Please visit my website to see more.

EXPERIENCE

Data Entry, King's College Hospital — 2013

For my secondary school work experience, I spent a few weeks working as a data entry clerk, where I began learning Excel and came to grips with a work schedule for the very first time.

EDUCATION

William Ellis School — GSCE, 2008-2013

Achieved 8 A*-C grades, including an A* in Religious Education and an A in English Language, Maths and History.

The UCL Academy — A-Level, 2013-2015

Achieved grades BBC, with a B in Mathematics and Computer Science.

University of East Anglia — Certificate of Higher Education, 2015-2018

Studied Computing Science.

SKILLS

- Microsoft Office (Word, Excel, PowerPoint)
- Operating systems (Windows, Mac OS, Linux)
- Web design (HTML, CSS, jQuery, Bootstrap)
- Programming (Python)
- Photo editing (Lightroom, Photoshop)

CURRENTLY WORKING ON

- Game design (GameMaker/GML, Ren'py)
- Relational databases (Bash, PostgreSQL, Git)
- Programming (JavaScript)

QUALITIES

- Passionate about technology; grew up with PCs since I was four years old.
- I work well in groups - I like to agree on a plan and see it through.
- Don't mind working in home or travelling long distances to work.
- Excels at research (information gathering).
