---

## PROFILE

---

Hello, my name is Magdi and I am looking for experience. I have a keen interest in graphic design, web design, photography, and video games and spend my free time working on my own projects. Please visit my website to see my work, which includes a blog, photography portfolio, and more.

## EXPERIENCE

---

### **Data Entry, King's College Hospital — 2013**

For my secondary school work experience, I spent a few weeks working as a data entry clerk, where I begun learning Excel and came to grips with a work schedule for the very first time.

## EDUCATION

---

### **William Ellis School — GSCE, 2008-2013**

Achieved 8 A\*-C grades, including an A\* in Religious Education and an A in English Language, Maths and History.

### **The UCL Academy — A-Level, 2013-2015**

Achieved grades BBC, with a B in Mathematics and Computer Science.

### **University of East Anglia — Certificate of Higher Education, 2015-2018**

Studied Computing Science.

## SKILLS

---

- Microsoft Office (Word, Excel, PowerPoint)
- Operating systems (Windows, Mac OS, Linux)
- Web design (HTML, CSS, jQuery, Bootstrap)
- Online blogging (Hugo, WordPress)
- Programming (Python)
- Photo editing (Lightroom, Photoshop)
- DSLR photography
- Music (guitar, bass, a bit of drums)

## QUALITIES

---

- Passionate about technology; grew up with PCs since I was four years old.
- I work well in groups - I like to agree on a plan and see it through.
- Excels at research (information gathering).
