London, NW3 6PH

PROFILE

Hello, my name is Magdi and I am a university dropout looking for experience. I have a keen interest in graphic design, web design, photography, and video game development and spend my free time working on my own projects. Please visit my website to see more.

EXPERIENCE

Data Entry, King's College Hospital — 2013

For my work experience, I spent a few weeks working as a data entry clerk, where I begun learning Excel and came to grips with a work schedule for the very first time.

EDUCATION

William Ellis School — GSCE, 2008-2013

Achieved 8 A*-C grades, including an A* in Religious Education and an A in English Language, Maths and History.

The UCL Academy — A-Level, 2013-2015

Achieved grades BBC, with a B in Mathematics and Computer Science.

University of East Anglia — Certificate of Higher Education, 2015-2019

Studied Computing Science, but left university at Year 3 due to mental health issues. Modules included Web-Based Programming, Systems Analysis, Graphics and Software Engineering.

SKILLS

- Microsoft Office (Word, Excel, PowerPoint)
- Operating systems (Windows, Mac OS, Linux)
- Web design (HTML, CSS)
- Graphics editing (Paint.NET)
- Basic programming (Python, JavaScript)

CURRENTLY WORKING ON

- Advanced programming (Ruby on Rails)
- Mobile development (Xcode, SwiftUI)
- Photo editing (Lightroom, PhotoShop, Aperture)
- Game design (GameMaker/GML, Ren'py)

QUALITIES

- Passionate about technology; grew up with PCs since I was 4 years old
- I work well in groups - I like to agree on a plan and see it full
